Tones and I's "Dance Monkey" has taken the top spot on Shazam, according to Guinness World Records. The song, part of her debut EP "The Kids Are Coming", has been identified 36.6 million times on the app, surpassing Avicii's "Wake Me Up". Released in May 2019, it topped charts in over 30 countries and debuted at No. 96 on the Billboard Hot 100, becoming the first Hot 100 song solely written by a woman to enter the ranking in more than eight years. Born out of frustration while busking in Australia, "Dance Monkey" is a fun, upbeat song that Watson said was about people's lack of patience and wanting her to rush. The music video has over a billion views, and her debut album is expected at the end of the year. Original text rewritten with spelling errors (SE) - probability: 40% The song "The Kids Are Coming" was released on th EP entitled The Kids Are Coming. Th EP came out in 2019 and it was th fourth single from th EP. It gained significant radio airplay and reached number thirty-seven on the US Modern Rock Charts. #6 – City Of Angels A song taken from Love, Lust Faith and Dreams (2013), this track is about Leto's time living in Los Angeles and its culture. It received positive reviews for its experimental sound and charted well internationally. #5 – From Yesterday The third single from A Beautiful Lie, with a music video shot in the People's Republic of China, which was also the last appearance of bass player Matt Watcher. The song won the Kerrang! Award for best single in 2006. #4 – Up In The Air Another track from Lust, Love, Faith and Dreams, this song marks a departure from the band's previous work with its electronic and New Wave influences. It was the lead single from the album and reached number three on the US alternative songs charts. #3 – Attack The lead single from A Beautiful Lie, critically acclaimed for its unique sound. It peaked at number twenty-two on the Billboard Modern Rock top thirty hit chart and reached number nine on the UK's Rock charts. #2 – Kings And Queens A track taken from This Is War, written in both the US and South Africa, receiving critical acclaim with several critics calling it a highlight of the album. It was the band's second number one hit on the US Alternative songs charts. The epic sound of the song is reminiscent of U2's style, blended with progressive rock elements. When performed live, it becomes a stadium classic. The third single from This Is War, "Closer To The Edge," holds the top spot. Band members described this track as their "pop song." The music video, shot while on tour, features clips of the band with fans worldwide. Critics praised its epic sound and engaging visuals. In the UK charts, it peaked at number seventy-eight, topping the UK rock charts. In Australia, it reached number thirteen, while in the US, it debuted at number ninety-nine on the Billboard Hot 100. It also topped the US Rock and Metal Chart. #### Carly Rae Jepsen is a talented singer-songwriter from British Columbia, Canada. Her music career began after appearing on Canadian Idol and later releasing her debut folk album "Tug Of War" in 2008. She achieved significant success with her hit single "Call Me Maybe" in 2012, leading to opportunities in theatre and television. Throughout her successful career, Carly Rae Jepsen has released numerous albums, including five full-length studio albums, four EPs, and over thirty singles. The Canadian music charts have got a new chart-topper, with a song reaching the coveted spot 100. Meanwhile, the video for this catchy tune is full of fun and interest - kind of like Calvin Klein? Coming in at number six on our top 10 Carly Rae Jepsen songs list is "Curiosity," a dance-pop hit that's super similar to "Call Me Maybe." The song was released back in 2012 as part of the EP with the same name, making it the second single from that album. In Canada, it peaked at number eighteen, which isn't bad for a top 20 hit. Things get more emotional at number five on our list with "Tonight I'm Getting Over You," a heartbreaking song featuring Nicki Minaj. This great single was released on the 2012 album "Kiss," and it marked the final single from that album. It did pretty well in Belgium, reaching number six, but only managed to hit thirty-three in the UK. Our list's number four spot is taken by "I Really Like You," a song that was part of Carly Rae Jepsen's 2015 album "Emotion." This one was actually the first single from that album and did pretty well on the US Billboard Hot 100, peaking at number thirty-nine. It also charted highly in Canada, reaching fourteen, but its highest spot was in Ireland and the UK, where it hit three in both countries. Coming up at number three is "Good Time," a song Carly Rae Jepsen released with Owl City back in 2012. This was part of her album "Kiss" and served as a follow-up to her big hit "Call Me Maybe." The song did pretty well on the US Billboard Hot 100, peaking at number eight, but went all the way to one in Canada. It also hit five in the UK. Finally, our top song is "This Kiss," which reached number one. This was part of Carly Rae Jepsen's 2012 album "Kiss" and was her third single from that album. Carly Rae Jepsen's hit song "Call Me Maybe" topped the charts in numerous countries including the US, Canada, UK, Ireland, Australia, and many more.
